

Operational Status of the Audit Committee

The Audit Committee assists the Board of Directors in overseeing the quality and integrity of the Company's accounting practices, auditing processes, financial reporting, and financial controls. The primary areas of focus for the Audit Committee during the year include the review and deliberation of the following matters:

- The adoption or amendment of the Company's internal control system in accordance with Article 14-1 of the Securities and Exchange Act.
- Assessment of the effectiveness of the internal control system.
- The adoption or amendment of procedures governing material financial and business transactions—such as the acquisition or disposal of assets, derivatives trading, lending of funds, and the provision of endorsements or guarantees—in accordance with Article 36-1 of the Securities and Exchange Act.
- Matters involving conflicts of interest relating to directors.
- Material acquisitions or disposals of assets or derivatives transactions.
- Significant lending of funds, endorsements, or guarantees.
- The offering, issuance, or private placement of equity-related securities.
- The appointment, dismissal, or compensation of the independent auditor.
- The appointment or dismissal of the heads of finance, accounting, or internal audit.
- Annual financial statements signed by the Chairperson, the President, and the Chief Accounting Officer.
- Oversight of risk management in accordance with Article 3 of the Company's Audit Committee Charter.
- Any other material matters required by law, regulation, or the Company's internal policies.

In 2025, the Audit Committee has held **four** meetings. The attendance of independent directors is as follows:

Title	Name	Attendance in Person	By Proxy	Attendance in Person Rate (%)	Remarks
